

Product Specification

Part number: 900211-10
 Description: PIM Shield threaded rod kit
 3/8" x 6-inch, Qty. 10

General	PIM Shield threaded rod kits are designed to be used with a PIM Shield cable support base with large head nut (900209-10, sold separately) to provide a low passive intermodulation mounting system to secure RF cables in high risk PIM zones
System grip range	When used with a 900209-10 PIM Shield cable support base with large head nut the 900211-10 threaded rod kit provides a usable grip range of 4-inches for securing plastic cable support blocks (by others)
System PIM performance	IM3 <-100 dBm when tested in accordance with proposed IEC 62037-8, near field test, 2x 20W test tones, while subjected to dynamic stimulus. To achieve specified PIM performance, torque hardware to 10 FT-LB (ConcealFab tool 900053)
Material	18-8 Stainless Steel
Operating temperature	-40°C to +70°C
Shipping dimensions	7-inch x 3-inch x 1-inch
Shipping weight	2.3 lb.
Qty per package	10
