

23'

# V0

### Product Summary:

The Vertex portfolio has a mix of iconic poles designed to house multiple 4G and 5G equipment configurations for capacity and coverage in a given area. The pole's clean aesthetics, custom luminaire, and smart city functionality make it an ideal solution for hard-to-permit locations.

V0 is an ultra-light duty, iconic light pole designed to complement the Vertex portfolio as well as roadway and parking lot lighting.
