

### SPECIFICATIONS

| <b>General</b>  | PIM Shield Cable Cushions enable ConcealFab's Hybrid Snap-ins to support smaller diameter fiber, power, grounding and RET cables in high risk PIM zones  |                     |                               |        |
|---|--|---------------------|-------------------------------|--------|
| <b>Mounting</b>   | Cable Cushions are designed to insert into ConcealFab's Hybrid Snap-in. The inner spring fingers of the Hybrid Snap-in securely grip the cushion and prevent it from falling out while installing the cable. |                     |                               |        |
| <b>System PIM performance (when tested at next higher assembly)</b> | IM3 <-100 dBm when tested in accordance with IEC 62037-8, near field test, 2x 20W test tones, while subjected to dynamic stimulus  |                     |                               |        |
| <b>Material</b>   | EPDM Rubber  |                     |                               |        |
| <b>Color</b>  | Varies based on cable size   |                     |                               |        |
| <b>Operating Temperature</b>  | -40°C to +70°C   |                     |                               |        |
| <b>Qty Per Package</b>  | 10   |                     |                               |        |
| Part Number   | Description  | Cable Diameter (mm) | Install inside Hybrid Snap-In | Color  |
| <b>PSCC-1001-10</b>   | PIM Shield Cable Cushion, 4.5 to 6.5 mm  | 4.5 - 6.5           | PSHS-1319-10                  | Blue   |
