

*Gray-003
(Matches light concrete
or aluminum poles)

**Silver-004
(Matches galvanized
steel poles)

PRODUCT SUMMARY

ConcealFab's mmWave Pole Top Concealment is designed to house 3X Samsung AT1K01/04 radios on the pole top. This concealment comes with film to be applied to the radio for a full color match. A canister antenna/radio concealment can be added later if needed.
